

KENT

INTERNATIONAL GROUP

*The Kent International Group
caters to employee
benefit needs of
companies operating
within the United States
or around the globe.*

*Use our experience
to develop an integrated
program for your
employees worldwide.*

EMPLOYEE BENEFITS

We offer advice and expertise to assist an employer to implement a comprehensive employee benefit program designed to maximize recruitment and/or retention of valued employees.

- Customized medical and dental
- Life/accidental death & dismemberment
- Disability and pension plans

INTERNATIONAL EMPLOYEE BENEFITS

We cater to U. S. expatriates working overseas, foreign nationals working in the U.S. or third country nationals working for American or international companies around the globe. We utilize a full array of U. S. based insurance carriers or, when required, we can utilize international insurance markets through our wholly owned **KENT INTERNATIONAL GROUP (NEVIS) LTD.**

We can provide but are not limited to:

- Custom medical including emergency evacuation
- International life and AD&D worldwide in multiple currencies
- U.S. or European style disability

Where applicable, we can provide employees with International Savings/ Retirement plans to cover employees outside of the U. S. Through our strategic partners we are able to offer employers with a global workforce an International Payroll service. In addition we can offer services to British expatriates in the area of pensions, asset review and management as well as inheritance tax planning.
